# What we do

Applying for long-term care financial programs can feel like a maze.

Beneficent quickly navigates seniors and disabled adults to the best financial program to help pay for senior care, including adult day care, home care, assisted living, or nursing homes.

# We educate on

How to preserve assets and protect cash.

How to qualify for financial assistance.

How to navigate problems with eligibility.

Long-term care myths like “spend down.”

# Why should you consider long-term care financial programs?

Average Colorado annual costs of:

**\$18,000**  
Adult Day Care

**\$57,000**  
Assisted Living

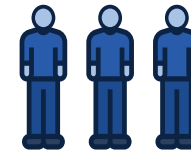

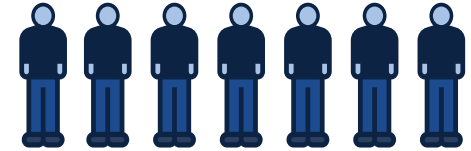

**\$56,000**  
Home Care

**\$94,000**  
Nursing Home  
(semi-private)

**\$108,000**  
Nursing Home  
(private)

Someone turning **65 today** has almost a

**70% chance**  
of needing long-term care services

In 2022, Beneficent helped each of our clients save on average **\$178,000** in long-term care costs.
